

WORK OF LIFE-SAVER PREVENTS DROWNING

I. Yudelson, of 10 West Mitchell street, was saved from drowning early yesterday morning by R. L. Peel, one of the life savers, when his strength gave out while swimming in the lake in Piedmont park. Mr. Yudelson was attempting to swim from the raft in the middle of the lake to the board walk when he gave out and sank. Mr. Peel came to his assistance after he had gone down the second time and pulled him into a boat. The young man was resuscitated and left the park without any assistance.
